

**SPINE Sample Holders & Vials: Attribution of the Caps Manufacturers IDs**

- 1) As mentioned in the document "SPINE SAMPLE HOLDER & VIAL SPECIFICATIONS-L-RXX", the sample holder manufacturer ID is the first letter of the Cap ID code. The manufacturer IDs are attributed via the email address [spine.sh.mid@embl.fr](mailto:spine.sh.mid@embl.fr).
- 2) A manufacturer who has been assigned an ID, will be referred to as a "commercial provider of Spine Caps" (and optionally vials) on the Spine web site [www.spineurope.org](http://www.spineurope.org). The manufacturer shall inform [spine.sh.mid@embl.fr](mailto:spine.sh.mid@embl.fr) in the case it ceases the activity.
- 3) The IDs are attributed in following scheme:
  - a. The manufacturer addresses a demand to [spine.sh.mid@embl.fr](mailto:spine.sh.mid@embl.fr), indicating a choice within the letters available.
  - b. The manufacturer choice is confirmed by email and published on the Spine web site [www.spineurope.org](http://www.spineurope.org), SpineSampleHolder page, document Annex1\_manufacturersIDs-Rxx.doc (this document).
